Working Student Legal / Global Data Privacy Office (all genders)

Arnulfstraße 60, 80335 Munich, Germany

Company Description

About Publicis Sapient

Publicis Sapient is a digital transformation partner helping established organizations get digitally enabled, both in the way they work and how they serve their customers. We help unlock value through a start-up mindset and modern methods, fusing strategy, consulting, and customer experience with agile engineering and problem-solving creativity. As digital pioneers with 20,000 people and 53 offices worldwide, our experience spanning technology, data sciences, consulting, and customer obsession – combined with our culture of curiosity and relentlessness – enables us to accelerate our clients' businesses through designing the products and services their customers truly value. Publicis Sapient is the digital business transformation hub of Publicis Groupe. For more information, visit publicissapient.com.

Job Description

We are looking for a Working Student who will support our Legal Team / Global Data Privacy Office in various day-to-day tasks and gain valuable insights into the legal department of an international company. In this position, we empower you in your personal and professional growth and guide you along your next step in your career.

Your impact:

- Insights into the work of an international legal department / Global Data Privacy Office
- Further development of your legal English skills
- A high learning curve and the opportunity to quickly take on additional responsibility

Qualifications:

Your skills & experience:

- Studies in the field of law or similar fields of study
- Interest in legal topics such as general civil law, data protection law, commercial law corporate law and labour law

- A high degree of reliability and hands-on mentality
- Analytical mindset and a structured way of working
- Enjoy working in an agile and international team
- Good MS Office skills (Word, Excel, PowerPoint)
- Excellent language skills in English and German

Set yourself apart with:

- Previous practical experiences in the field of law i.e., internships or working student positions
- French language skills are considered a plus

Additional information**Benefits of Working Here:**

- Insights into the dynamic everyday work of an international, innovative consulting company
- Establishing a personal network beyond national borders
- We work with cutting-edge technology which has always been part of our DNA and we want our employees to define what technologies our clients use next
- We provide many learning opportunities to deepen your skillset and to support your professional growth
- We offer numerous discounts on travel, cultural and leisure activities
- We put the well-being of our people first and organize various health initiatives
- We offer you a vibrant workplace culture with many different community events throughout the year

The entire PS community is working remote as we navigate the COVID-19 global health crisis together. Our recruiting procedures have been adjusted to ensure the health and safety of our candidates and our people remain a priority. All of our interviews are now taking place via phone and video conferencing. Thank you very much for your understanding.
